DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/31/07 has been entered.

Examiner's Statement for Reasons of Allowance

This Office Action is responsive to the Request for Continued Examination filed on 10/31/07. Claims 1-22 are pending. Applicant's remarks filed in the request have been fully considered and are persuasive, thus the former 35 USC 103 rejections have been overcome.

The following is an examiner's statement of reasons for allowance: as indicated in the Examiner's statement for reasons of allowable subject matter filed 7/26/07. Applicant cancelled portions of claim 2 and incorporated said allowable subject matter in the independent claim 1; also claim 22 includes said subject matter. The claims are allowable because the closest prior art of record fails to teach or suggest fairly a bottom wall pivotally attached to the side walls of the dishwasher rack, inter alia.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
